THE CLASS OF 1963

PRESENTS

"The Georgian"

Last year we moved into a new school and were greeted with the unfamiliar faces of several new teachers. Among these was one man who has won a place in the heart of each of his students.

As a teacher, he is one of the best. His continuous search for more and better material results in a far from usual classroom period. His praise as well as his criticism must be earned.

As a man, he sets an excellent example for all who know him. His friendship is much to be desired. He has worked with us, played with us, worried with us, laughed with us. His own "unintentional" puns have often brightened a dull day. He lives the Democracy which he teaches.

He is outstanding as a teacher, a citizen, a man, and a friend.

Thus it is with great pride, respect, gratitude, and admiration that we, the class of 1963, dedicate the Georgian to you, Mr. Fred Libby.
